

EMPLOYEE BENEFITS

Benefit Plans Effective September 1, 2018–August 31, 2019

The benefits offered by Pocatello/Chubbuck School District No. 25 are designed to provide a comprehensive total rewards package for you and your eligible dependents. We encourage you to evaluate and elect benefits that best suit your personal needs.

Eligibility

If you are scheduled to work at least 20 hours per week you are eligible for medical, dental, vision, and life and AD&D plans on the first day of the month following your date of hire or the date on which you become eligible for benefits. Full-time employees (employees who work at least 32.5 hours per week) must enroll in the medical plan in order to be eligible to enroll in the dental and vision plan. Part-time employees have the option to enroll in the medical, dental, vision, and life and AD&D plans. For details, please contact the District's Insurance Office.

Many of the plans offer coverage for eligible dependents, including:

- Your legal spouse
- Your children to age 26, regardless of student, marital, or tax-dependent status (including a stepchild, legally-adopted child, a child placed with you for adoption, or a child for whom you are the legal guardian)
- Your dependent children of any age who are physically or mentally unable to care for themselves

Enrollment

You can sign up for benefits or change your benefits within 30 days of your initial eligibility date (as a newly-hired or newly-eligible employee), during the annual benefits open enrollment period, or within 30 days of experiencing a qualifying life event.

The choices you make at this time will remain the same through August 31, 2019. If you do not sign up for benefits during your initial eligibility period or during the open enrollment period, you will not be able to elect coverage until the following plan year unless you experience a qualifying life event.

Making Mid-Year Benefits Changes

Due to IRS regulations, once you have made your elections for the plan year, you cannot change your benefits until the next annual open enrollment period in August. The only exception is if you experience a qualifying life event. Election changes must be consistent with your life event. These regulations are only in effect if you are on the section 125 plan (cafeteria plan).

Qualifying life events include, but are not limited to:

- Marriage, divorce, or legal separation
- Birth or adoption of a child
- Death of your spouse or covered child
- Change in your spouse's work status that affects his or her benefits
- Change in your child's eligibility for benefits
- Qualified Medical Child Support Order
- Medicare eligibility

To request a benefits change, notify the District's Insurance Office within 30 days of the qualifying life event. Change requests submitted after 30 days cannot be accepted.

Affordable Care Act Individual Mandate

You and your family members are required to have health insurance in 2018 or pay a penalty to the government.

Medical Insurance Plan

The District offers you a preferred provider organization (PPO) medical plan through PacificSource. The plan offers in- and out-of-network benefits, providing you the freedom to choose any provider. However, you will pay less out of your pocket when you choose a network provider. Prescriptions are covered under PacificSource's Idaho Drug Plan (IDP). Additionally, if you visit Portneuf Regional Medical Center (PRMC) for hospital services, you will pay even less out of your pocket than another in-network provider. Locate a PacificSource network provider at www.pacificsource.com.

Dental Insurance Plan

The District offers a dental insurance plan through Delta Dental of Idaho. The plan provides in- and out-of-network benefits, allowing you the freedom to choose any dentist. The amount you pay varies based on whether you see a Delta Dental PPO dentist, a Delta Dental Premier dentist, or an out-of-network (non-participating) dentist. Locate a Delta Dental network provider at www.deltadentalid.com.

- You will pay less out of your pocket when you see a Delta Dental PPO dentist.
- Delta Dental PPO and Premier dentists file claims directly with Delta Dental and accept Delta Dental's reimbursement in full. When you see a PPO or Premier dentist, you will only be responsible for your deductible and coinsurance, as well as any charges for non-covered services up to Delta Dental's approved amount.
- When you see a Delta Dental PPO or Premier dentist, you are protected from balance-billing.
- If you choose to see an out-of-network dentist, you will incur additional out-of-pocket expenses, and you will be billed the total amount the dentist charges (called balance-billing).

Flexible Spending Accounts

The District offers two flexible spending account (FSA) options—the health care FSA and the dependent care FSA—which allow you to pay for eligible expenses with pre-tax dollars. The FSAs are administered by American Fidelity. Log into your account at www.americanfidelity.com to: view your account balance(s), calculate tax savings, view eligible expenses, download forms, view transaction history, and more. There may be a small monthly charge by the plan administrator to participate in the FSA options.

Health Care FSA

Eligible expenses include deductibles, copays, and other health-related expenses that are not paid by the medical, dental, or vision plans. The health care FSA maximum contribution is \$2,650 for the 2018–2019 plan year.

Dependent Care FSA

Eligible expenses include day care facility fees, before- and after-school care, and in-home babysitting fees (income must be reported by your care provider). You may contribute up to \$5,000 to the dependent care FSA for the 2018–2019 plan year if you are married and file a joint return or if you file a single or head of household return.

Voluntary Life and AD&D Insurance

The District provides you the option to purchase voluntary life and AD&D insurance for yourself, your spouse, and your dependent children through The Hartford. You must purchase voluntary coverage for yourself in order to purchase coverage for your spouse and/or dependents.

Coverage will not take effect until approved by the carrier.
