

## **STUDENT INJURIES - IMPORTANT NOTICE**

### **Pocatello/Chubbuck School District No. 25**

Even with the greatest precautions and the closest supervision, accidents can and do happen at school. Accidents are a fact-of-life and a part of the growing-up process our children go through. Parents need to be aware of this and be prepared for possible medical expenses that may arise should their child be injured at school.

If your child is interested in participating in sports, it is mandatory that they have a medical insurance policy.

The school district **does not** provide medical insurance to automatically pay for medical expenses when students are injured at school. This is the responsibility of the parents or legal guardians. The district carries only legal liability insurance. However, the district does make a student medical insurance policy available to families for their individual purchase.

Please note that School District No. 25 offers this alternate policy to you as an option, but does not endorse it or any other plan you may decide.

If you would like to enroll for student accident insurance with Special Markets Insurance Consultants (SMIC) please follow
