Return to Open Session:

The Board returned to Open Session at 3:46 p.m. A motion was made by Mr. Vitale and seconded by Mr. Mattson that the Board expel **Student Docket No. 15-43** from attendance at the Pocatello/Chubbuck School District No. 25 from today's date through the end of the 2015-2016 school year.

Such motion is based upon the judgment of the Board of Trustees that **Student Docket No. 15-43** has:

1. Engaged in conduct which the Board believes demonstrates a violation of the District's discipline policies with regard to the possession, consumption/use and/or distribution of alcohol at school.
2. Engaged in conduct, which in the judgment of the Board, demonstrates that the student is incorrigible.
3. Engaged in conduct which the Board believes demonstrates that the student's presence at school is detrimental to the health and safety of other pupils.

Should the student be eligible for YDC, the school will work with YDC for the provision of educational services for the remainder of the 2015-2016 school year.

Prior to the commencement of Summer School for the summer of 2016, the student and/or the family of the student shall be responsible for contacting the District to schedule a Board Reinstatement Hearing to allow the Board to consider Reinstatement, as well as to consider what conditions, if any, the Board will impose if Reinstatement is permitted.

During the period of expulsion, the student shall not be present upon any District property or at any District activity, regardless of location, absent pre-authorization of the District's administration.

Should the student seek to take any online or other credits during the period of expulsion or wish to explore a GED option, the school shall make a counselor or administrator available to meet with the student and family to address such matters.

Prior to the Reinstatement Hearing, if the student is receiving any services and/or is under the purview of the juvenile justice or probation department, paperwork shall be entered into to allow for the exchange of this information only to the extent that such impacts upon the student's education, for the Board's consideration at the time of the Reinstatement Hearing.

During the Reinstatement Hearing the student and the parent/legal guardian of the student shall be prepared to discuss the activities of the student during the period of expulsion as well as what actions have been taken to assure that this conduct and violation of District policies will not occur in the future should re-enrollment be permitted.

The voting was unanimous in the affirmative.
