Such motion is based upon the judgment of the Board of Trustees that **Student Docket No. 12-05** has:

1. Engaged in conduct which demonstrates that the student's presence at school is continuously disruptive of the school's discipline.
2. Engaged in conduct which demonstrates the student's presence is continuously disruptive of the institutional effectiveness of the school.
3. Engaged in conduct which violated District Policy No. 8210, Student Discipline, regarding unacceptable/disorderly student conduct and interactions including but not limited to swearing/inappropriate language, racial slurs, threats of violence and extreme defiance to school personnel.

Prior to the commencement of the third trimester of the 2011-2012 school year, the student and/or the parent/legal guardian of the student shall be responsible for contacting and communicating with the District to schedule a Board Reinstatement Hearing to allow the Board to consider reinstatement for the remainder of the 2011-2012 school year and what conditions, if any, the Board will impose if reinstatement is permitted.

Should the student seek to complete any on-line or correspondence type courses during the period of expulsion, the District's Administrative or Counseling personnel will participate in a meeting with the parent of the student to review educational options, what courses are needed for the student to progress towards graduation and what courses could be transferred to the District and transcribed towards promotion.

During the reinstatement hearing the student and the parent/legal guardian of the student shall be prepared to discuss the activities of the student during the period of expulsion as well as what actions have been taken to assure that this conduct and violation of District policies will not occur in the future should re-enrollment be permitted. The voting was unanimous in the affirmative.
