

SPECIAL MEETING/WORK SESSION
Pocatello/Chubbuck School District Board of Trustees Orientation for
Student Representatives to the Board of Trustees for Pocatello/Chubbuck School District 25

September 18, 2012
5:00 p.m.

Student Representatives to the Board are seated to do the following:

- Provide a monthly report about current academic/activities of the students and the school (3 minutes or less)
- Engage in the discussion at Board meetings and work sessions and provide student input
- Meet with building principals on a monthly basis to discuss the school report and student input to board decisions
- Locate materials for the Board other than confidential information on the District's website at www.sd25.us under School Board/Board Agendas
- Meet with principals to review the contents of Board meetings and work sessions
- Consult with student body when student input is critical to decision making
- Report to student body as to the activity of the Board
- Participate in committee work relative to student issues
- Attend meetings of the Board
- Work with principals to set up an email account and monthly reports
- Contact Board members, the superintendent and the superintendent's assistant about Board meetings and expectations
- Attend meetings per availability and leave when necessary
- Send alternate as appropriate

Board members are elected by the public to set policy, adopt the budget and hire and evaluate the superintendent. Board members do the following in the conduct of the business of the district:

- Vote on issues pending before the Board
- Engage in executive sessions involving a variety of issues pertinent to Idaho Code
- Welcome input from student representatives and contact from student representatives in between meetings
- Seek input from students on matters relating to the district in general and students in particular
- Look forward to being more informed about student issues from student representatives

Student representatives are encouraged to engage with the superintendent or the superintendent's assistant regarding the following:

- Contents of the meeting
- Presentation of the report
- Contact with the Board
- Input to the Board
- Questions in general or about the meeting
- Questions about the agenda
- Contact with principal, the student report and any Board input
