We're Here to Help

At PacificSource, everything we do revolves around taking care of people. You are welcome to call us toll-free. Our customers enjoy average on-hold times of less than 20 seconds, and phone contact with a live person—not automated response systems. Or email us. One of our friendly, professional Customer Service Representatives will be happy to assist you.

Your PacificSource ID Card

ID cards will be mailed directly to your home. You should receive your cards within a few weeks after enrollment. Please begin using the new cards as soon as you receive them, and discard any old cards. When you visit your doctor or pharmacy, be sure to present your card to ensure they have the correct insurance information.

This is a sample ID card for illustration only. Your actual ID card may vary.

Note: Some health plans require you to select a primary care provider (PCP) and to obtain a referral before seeing a specialist.

You are welcome to contact our Customer Service Department if you have any questions or if you have not received your ID cards.

Using the CVS Caremark® Pharmacy Network

PacificSource contracts with CVS Caremark for pharmacy management services. If your health plan includes a prescription drug benefit, you can enjoy discounts available through our contract with CVS Caremark without completing a claim. Just show your PacificSource ID card when you purchase prescriptions. Participating retail pharmacies will collect your share of the drug's cost, then bill PacificSource directly for the balance.

Submitting a Claim

Usually, your provider or pharmacy will submit claims for you. If you need to fill a covered prescription or see a provider for a covered service before you receive your new ID card, or if you see a nonparticipating provider, you can pay and then submit a copy of the **provider's itemized receipt** or statement for reimbursement. It needs to include:

- Your name (enrolled employee), patient's name, pharmacy or provider name (with tax ID)
- The charges (showing the CPT and diagnosis billing codes)
- The date your prescription was filled or the service was provided
- The medication name, strength, and quantity dispensed

Please add your employer's name and group number (if known). If the treatment was for an accident, please include details.

- Mail your claim to PacificSource Health Plans, Claims Department, PO Box 7068, Springfield OR 97475.
