The signature event of the season, the Festival of Trees captures the magic of the holidays while bringing our community together in support of local education. Beautifully decorated trees and wreaths are the hallmark of this annual tradition. Designs can be as simple or creative as you wish. One-of-a-kind themes from seasons' past have included, vintage St. Nick, 12 Days of Christmas, Joy to the World, Sounds of the Season, and more. Your entry will be showcased to thousands of Festival guests throughout the week. Sponsor names will be prominently displayed on-site at the Festival as well as noted in the Festival program.

Tree Decoration Guidelines:

- Trees entries should be a minimum of 6'-7' feet tall. Wreaths should measure at least 36 inches.
- All lights and decorations **must be wired** on to maintain the tree's or wreath's appearance throughout the duration of the Festival.
- Any extension cord placed along the floor must be white.
- Tree should have a **STURDY METAL** tree stand (please see reverse of form for example), and a tree skirt or other material must cover the stand.
- All trees or wreaths should have a specific theme or name. Need ideas? Just ask. We are here to help.
- Deliver decorated tree or wreath to the Performing Arts Center on **Saturday, November 24th between Noon and 5:00 p.m. and Sunday, November 25th between 9:00 a.m. and 3:00 pm.** You may add finishing touches on-site.
