4. All price increases from the original response must be tied to the unique market index and a 30-day notice given to the School Food Authority.
5. The School Food Authority retains the right of refusal of products due to damage, insufficient use-by dates, in appropriate subbed items and/or if there was never an intent to order products being delivered.
6. Bid items with the USDA item listed under the ITEM column will be purchased through the awarded process only if the USDA Commodity Program is unable to provide those items as needed.

Thank you for your continued interest in our School Food Service Program. We wanted to inform you of certain changes on our bid form. Beginning school year 2010-2011 we began accepting yearly bids in place of semester bids. We also have included many whole grain items on our list. Due to the new nutrition standards for Idaho schools, we will need to include more whole grain items on our menu. We have included some pieces of information to help you determine which items will qualify as a whole grain. To determine this you will need to refer to the ingredient list, NOT the nutrition information. Please direct all questions regarding whole grain qualification to: Dawn Stone, RD (208)235-3263, stoneda@sd25.us
